

KMBR Architects Planners Inc. Announces New Principal

**October 14th, 2013
- KMBR Architects
Planners Inc. is
very pleased to
congratulate Bassem
Tawfik on becoming
a new KMBR
Principal.**

Bassem Tawfik, Architect AIBC, MRAIC, LEED® AP BD+C, Principal

Bassem Tawfik joined KMBR in 2012 and immediately embraced the KMBR ethos of community architecture and global vision. Bassem has over 21 years of post-graduate experience and has made Vancouver BC his home since 1997. Since then, he has been successfully delivering complex projects from schools and seniors' housing to public safety facilities and prisons. Bassem's passions are design excellence and sustainability, and he manages to incorporate these aspects in his projects regardless of budget constraints or project type.

As well as leading projects from concept to completion and managing internal staff and delivery processes, Bassem's role with KMBR also encompasses developing and managing client relationships.
