

# KMBR Architects Planners Inc. Announces New Associates

April 16, 2013 - KMBR Architects Planners Inc. is very pleased to acknowledge the accomplishments of and congratulate Simon Lim and Bassem Tawfik on becoming KMBR Associates.

**Simon Lim,**  
IA.AIBC, REFP

A Graduate of UBC School of Architecture in 1991, Simon joined KMBR in 2003 and has since proven himself to be a valuable team member, detail oriented designer and conscientious client advocate.

Simon is an experienced project manager and team member, well versed in developing projects from conceptual ideas through the technical and jurisdictional stages to the final product. He brings experience in detailing a variety of construction types ranging from traditional wood frame/heavy timber to concrete high rise, tilt-up concrete and steel frame.

**Bassem Tawfik, Architect**  
AIBC, AAA, LEED® AP BD+C

Bassem joined KMBR in 2012. In addition to his role in leading projects from concept to completion Bassem excels in client relationship development.

Bassem has 21 years of post-graduate experience. He has successfully delivered complex projects ranging from seniors' housing and schools, to LEED® GOLD targeted secure public safety facilities.
